Re: Transfer of Control of NewSouth Communications Corp., Docket No. 010237-TP, Notification of Completion of Transactions

Dear Ms. Bayo:

On February 15, 2001, NewSouth Communications Corporation ("NewSouth") filed an Application regarding the transfer of control of NewSouth's parent, NewSouth Holdings, Inc., through a series of stock transactions. This application was approved by the Florida Public Service Commission ("Commission") on March 26, 2001 in Order No. PSC-01-0764-PAA-TP, Docket No. 010237-TP. This letter is to advise the Commission that the transactions that were the subject of the Application are complete and NSHI Ventures, Inc. holds approximately 61.5% of the voting power in NewSouth Holdings, Inc. As noted in the Application, this change in control is transparent to the public as NewSouth continues to provide the same service to customers pursuant to the same tariffs.

Should there be any questions regarding this matter, please communicate with this office.

Very truly yours,

Andrew M. Dunnaville*
