BY THE COMMISSION:

By Petition, US LEC of Florida, Inc. (US LEC) has requested permission to intervene in this proceeding. US LEC states that it is a competitive telecommunications provider in Florida certificated to provide competitive local exchange services. US LEC argues that as an ALEC providing local exchange telecommunications services in Florida, US LEC has a substantial interest in insuring that BellSouth Telecommunications, Inc. has fully opened its local markets to competition as required by the Telecommunications Act of 1996.

Having reviewed the Petition, it appears that US LEC's substantial interests may be affected by this proceeding because it is a competitive telecommunications provider in Florida. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, US LEC takes the case as it finds it.

Based on the foregoing, it is
