RE: CallManage, Inc.  
Withdrawal of Instate Operating Authority

Dear Sir/Madam,

On October 15, 1999, CallManage, Inc. ("CallManage") was granted authority in Docket 990856-TI to operate as a reseller of interexchange telecommunications services within the State of Florida.

Since originally becoming certified, CallManage has limited the scope of its operations and decided against providing telecommunications services within the State of Florida. Since CallManage has not provisioned or invoiced any customers within the State of Florida, CallManage respectfully requests that the Public Service Commission ("Commission") cancel both CallManage's certification and Tariff and delete CallManage's name from the commission's list of regulated utilities.

Should you have any questions please do not hesitate to contact us at our corporate address.

Sincerely,

Kenneth Barnum  
Regulatory Manager
