RE: Declassification of Filed Documents - Docket 991376-TL

During the Prehearing Conference for Docket 991376-TL, the Prehearing Officer ordered Verizon to file a specific request for confidentiality regarding documentation filed in this proceeding. Verizon was obligated to submit its specific request no later than June 11, 2001. Verizon did not file any request regarding the confidentiality of any documentation that had been filed in this proceeding. Because Verizon did not file a specific request regarding confidentiality and the Prehearing Officer's order is automatically self-executing, all previously filed confidential documentation can now be declassified.
