RE: Docket No. 010446-TC - Cancellation by Florida Public Service Commission of Pay Telephone Certificate No. 3786 issued to Michael Einstein d/b/a Diversified Voice for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies.

Today, June 25, 2001, I received a settlement offer from Mr. Einstein. Mr. Einstein proposed to pay future RAFs timely, offered a \$100 settlement, and included the waiver of objection statement. I checked Case Management and it does not appear that the Division of Records and Reporting was provided a copy. Please document this correspondence to Docket No. 010446-TC. Let me know if you have any questions.

COMPETITIVE SERVICES

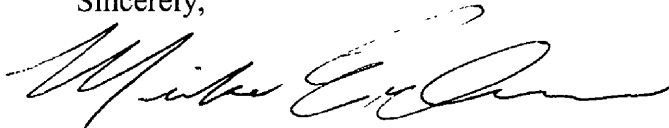

Dear Paula,

I would like to propose a settlement and to do so I am submitting the following statements and information. The docket number associated to my account is No. 010446-TC . This has been processed due to a late payment of this years assessment fee. I was out of town for an extended period of time and was unable to process the document. In the future years I have retained administrative assistance to ensure that all documentation get processed on a timely basis.

Diversified Voice agrees to waive any objection to the administrative cancellation of it's certificate should we fail to pay in accordance with this settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration. I request that we settle on a specific monetary settlement of \$100.00 for this occurrence.

Please communicate to me the recommended solution and settlement. Thank you so much for your understanding.

Sincerely,

Michael Einstein
