Docket # 010659-TC

It was brought to my attention by the letter I received regarding cancelation of my certificate that I owed the regulatory commission for this previous year.

It was a misunderstanding on my part being a new company I thought I did not have the commission to pay until next year. I assure you I understand now and there will be no more problems regarding this matter. I wish to keep my certificate active And would like you to accept a settlement of \$100.00 as penalty.

I waive any objection in the event I fail to comply with the terms of settlement.

Thank you,

Robert Jennings
