RE: Docket No. 010428-TC

VIA FACSIMILE

Dear Ms. Bayo:

I am in receipt of a letter dated June 14, 2001, from Ms. Paula Isler of your offices. (Please see enclosed copy). As she has stated, your office has received our payment for any past due amounts in full pertaining to the above docket number.

We have had numerous temporaries in our office over the last year, and we have had several devious ones at that. Unfortunately, any correspondence we may have initially received was filed in the "garbage" files, and therefore, we were delinquent in paying our fee to you promptly.

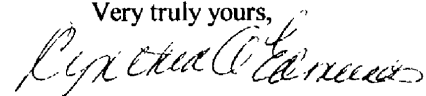

We have set up a new secretarial process in our office in hopes that this will eliminate any future delinquencies on our part. In the meantime, if you would explain to me what else I need to do to correct any problems that are still outstanding, please let me know as soon as possible.

Also, in accordance with your request, we agree to waive any objections to any future cancellations of our certificate and hope that you will consider our apologies for any problems in the past. We will make every effort to keep our payments on a consistent basis. We would also request that you allow us to keep our certificate to keep our payphone business based on our attempts to correct what was an intolerable situation on our behalf. In addition, we would like to propose that our penalty fee be either waived or substantially reduced to \$500.00 as a proposed settlement agreement.

As I previously stated, we have already made our payment of any past due amounts. Please let me know if any additional monies are owed and we will forward them directly to your offices.

Thank you for your understanding and help in this matter. I look forward to hearing from you.

Very truly yours,

Cynthia A. Edmunds
