Subject: wedgefield - docket 991437

I've requested that staff file a rec for the July 10 agenda on a Motion for Summary Final Order recently filed in the above docket. This motion should be resolved prior to the hearing which is set for July 25 and 26th. Staff will not be able to meet the rec filing deadline because the response to the motion is not due until July 2. Please allow them flexibility to schedule a filing date for the recommendation.

Thanks, Lila
