**RE: Notice of Termination of Service**

The purpose of this letter is to advise you that Williams Communications, LLC ("Williams") plans to terminate service to a reseller customer, Startec Global Operating Company ("Startec"), on or shortly after July 6, 2001. Williams provides wholesale toll services as an underlying or "facilities based" carrier to switchless resellers, such as Startec. Williams has provided Startec with adequate notice of the termination and has advised Startec to make arrangements with another underlying carrier to continue service or, in turn, notify its customers.

Should you have any questions or concerns, please do not hesitate to contact me at (918) 573-2237 or via email at [Chantel.Mosby@wcg.com](mailto:Chantel.Mosby@wcg.com).

Sincerely,

Chantel Mosby
