REGULATORY ASSESSMENT REPORTING

DOCKET NO. 010514-TC

DATE: JULY 12, 2001

- **02/21/00** - The Division of the Commission Clerk & Administrative Services mailed the delinquent notice. The delinquent notice was subsequently returned by the United States Postal Service (USPS).
- **04/19/01** - Staff wrote the company and advised that a docket had been established and to contact staff for its options.
- **06/18/01** - As of this date, the Commission has not received payment of the company's 2000 RAF.

The Commission is vested with jurisdiction over this matter pursuant to Sections 364.336, 364.285, 364.3375, and 364.183, Florida Statutes. Accordingly, staff believes the following recommendations are appropriate.

DISCUSSION OF ISSUES

ISSUE 1: Should the Commission impose a \$500 fine or cancel Quick Silver Communications, Inc.'s certificate for apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies?

RECOMMENDATION: Yes. The Commission should impose a \$500 fine or cancel the company's certificate if the fine and the regulatory assessment fees, including statutory penalty and interest charges, are not received by the Commission within five business days after the issuance of the Consummating Order. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and regulatory assessment fees, including statutory penalty and interest charges, are not received, Certificate No. 5570 should be canceled administratively and the collection of the past due fees should be referred to the Office of the Comptroller for further collection efforts. (Isler)

STAFF ANALYSIS: Pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine or cancel a certificate if a company refuses to comply with Commission rules. Rule 25-24.514, Florida Administrative Code, establishes the requirements for cancellation of a certificate. The rule provides for the Commission to cancel a certificate on its own motion for violation of Commission Rules and Orders.

Rule 25-4.0161, Florida Administrative Code, which implements Section 364.336, Florida Statutes, requires the payment of regulatory assessment fees by January 30 of the subsequent year for telecommunications companies, and provides for penalty and interest charges as outlined in Section 350.113, Florida Statutes, for any delinquent amounts.

Staff was notified by the Division of the Commission Clerk & Administrative Services that the company had not paid its 2000 regulatory assessment fees, plus statutory penalty and interest charges for the years 1999 and 2000. Therefore, it appears the company has failed to comply with Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies and has not requested cancellation of its certificate in

compliance with Rule 25-24.514, Florida Administrative Code. This fine amount is consistent with amounts used for recent, similar violations.

Accordingly, staff recommends that the Commission assess a \$500 fine or cancel the company's certificate if the fine and the regulatory assessment fees, including statutory penalty and interest charges, are not received by the Commission within five business days after the issuance of the Consummating Order. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and regulatory assessment fees, including statutory penalty and interest charges, are not received, Certificate No. 5570 should be canceled administratively and the collection of the past due fees should be referred to the Office of the Comptroller for further collection efforts.

ISSUE 2: Should the Commission impose a \$500 fine or cancel Quick Silver Communications, Inc.'s certificate for apparent violation of Rule 25-24.520, Florida Administrative Code, Reporting Requirements?

RECOMMENDATION: Yes. The Commission should impose a \$500 fine or cancel the company's certificate if the information required by Rule 25-24.520, Florida Administrative Code, Reporting Requirements, and fine are not received by the Commission within five business days after the issuance of the Consummating Order. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine and required information are not received, Certificate No. 5570 should be canceled administratively. (Isler)

STAFF ANALYSIS: Pursuant to Rule 25-24.520, Florida Administrative Code, Reporting Requirements, each company is allowed ten days after a change occurs to file updated information indicating any changes in the certificate holder's address (including street name and address, post office box, city), telephone number and any change in the name and address of the individual who is serving as primary liaison with the Commission. Staff called the telephone number listed in the Master Commission Directory. The number had been reassigned to another customer. Staff then called Directory Assistance but was unsuccessful in obtaining another listing for this company. It has been well over ten days and staff has not been informed of the provider's correct mailing address, phone number, or liaison information, nor has the company requested cancellation of its certificate in compliance with Rule 25-24.514, Florida Administrative Code. This fine amount is consistent with amounts used for recent, similar violations.

Accordingly, staff recommends that the Commission assess a \$500 fine or cancel the company's certificate if the information required by Rule 25-24.520, Florida Administrative Code, Reporting Requirements, and fine are not received by the Commission within five business days after the issuance of the Consummating Order. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's Order is not protested and the fine

and required information are not received, Certificate No. 5570 should be canceled administratively.

ISSUE 3: Should this docket be closed?

RECOMMENDATION: Yes. The Order issued from this recommendation will become final upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest within 21 days of the issuance of the Proposed Agency Action Order. The docket should then be closed upon receipt of the fines, fees, and required information or cancellation of the certificate. (K. Peña; B. Keating)

STAFF ANALYSIS: Whether staff's recommendation on Issues 1 and 2 are approved or denied, the result will be a Proposed Agency Action Order. If no timely protest to the Proposed Agency Action is filed within 21 days of the date of issuance of the Order, this docket should be closed upon issuance of a Consummating Order and upon receipt of the fines, fees, and required information or cancellation of the certificate.
