Hi Kay. I had e-mailed Linda on 4/30 and asked her to change the docket title to add reporting requirements, but it hasn't been done and I can't reach her (she may not have received the e-mail for some reason). Can you please have someone change the docket title? The recommendation is due to be filed 7/26 and I was getting ready to write it when I noticed the title had not yet been changed.

Change "Rule" to "Rules" and at the end of the title add "and 25-24.520, F.A.C., Reporting Requirements."

Thanks.
