Susan,

Could you help clarify the confusion regarding the below-referenced company? If the company name is correct as below, and they're not certificated, then the petition will need to be withdrawn, if it's a "normal" interconnection agreement.

Kim and Gennarro: Is this a one-way paging agreement? If so please advise via "reply all" to this e-mail.

Kim L.

This is a petition re interconnection agreement filed by Sprint. They indicate the company in the agreement is "Metro PCS,/FloridaCalifornia Inc." We have no such ALEC certificated company.

Will you be contacting Sprint for clarification/correction?

Kay
