To Whom It May Concern,

Please be advised that I protest the intention of Kings Point Utilities, Inc. to take over the water and wastewater service in my area.

Mr. Medlin's past record of running our utilities is very poor. Boil warnings were a common occurrence. The utilities plant was not well maintained and the drinking water was often unsafe. I do not believe that Mr. Medlin will be able to nor even attempt to give us the quality of water that we have had since Kissimmee Utilities has been provided us service.

Thank your for your consideration in this matter.

Sincerely,
Larry O. Taggett Sr.
