RE: Docket No. 010903-TI - Request for cancellation of IXC Certificate No. 3990 by Thrifty Call, Inc., effective 7/7/00.

Pursuant to Section 2.07(6)(a), Administrative Procedures Manual, staff requests that Docket No. 010903-TI be closed administratively as it was opened in error. Although the Division of Competitive Services does not handle routine requests for cancellation, upon receipt of a letter directly from a company or from the Division of the Commission Clerk & Administrative Services or the Division of Regulatory Oversight, staff checks the RAF database to see if the company owes the Regulatory Assessment Fee and advises the Division of the Commission Clerk & Administrative Services whether or not it is OK to open a docket. That is what happened in this case. Upon further investigation, it was determined that Docket No. 000890-TI was already pending.

Accordingly, please close Docket No. 010903-TI. If you need additional information, please let me know.
