Please revise CASR to reflect that this is a one-way interconnection agreement.

Kim,

Can you please make sure that my assumption is correct and advise Kay accordingly? (I'm in South Carolina until Sunday).

Thanks,

Kim

Okay.

So is this an interconnection agreement or a paging agreement? I see the agreement is titled "Commercial Mobile Radio Services (CMRS) Interconnection Agreement." Should we change the docket title to reflect that it's this kind of agreement?

It appears they're a paging company, so no certification is required.

This is a petition re interconnection agreement filed by Sprint. They indicate the company in the agreement is "Metro PCS,/FloridaCalifornia Inc." We have no such ALEC certificated company.

Will you be contacting Sprint for clarification/correction?
