DOCKET NO. 000824-EI  
ORDER NO. PSC-01-1534-PCO-EI  
ISSUED: July 24, 2001

ORDER REGARDING CONTENT AND TIMING OF MFRs

Pursuant to the Commission's direction at the May 15, 2001, Agenda Conference, as set forth in Order No. PSC-01-1348-PCO-EI, issued June 20, 2001, Commission staff, Florida Power Corporation ("FPC"), and other interested persons met several times to discuss the content and timing of the Minimum Filing Requirements ("MFRs") to be filed in this docket. As a result of these discussions, the specific MFR schedules and filing dates set forth in Attachment A (incorporated herein by reference) were proposed. Upon consideration, the specific MFR schedules and filing dates set forth in Attachment A are acceptable and should provide the basis for the Commission to make a reasoned decision in this docket.

Based on the foregoing, it is

ORDERED by Commissioner Braulio L. Baez, as Prehearing Officer, that Florida Power Corporation shall file the MFRs listed on Attachment A to this Order, in accordance with the schedule set forth therein.

By ORDER of Commissioner Braulio L. Baez, as Prehearing Officer, this 24th day of July, 2001.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural, or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
