RE: Docket No. 010735-TI - Cancellation by Florida Public Service Commission of IXC Certificate No. 5672 issued to iTELSA (USA), Inc. for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies.

On July 23, 2001, I received a copy of the company's July 18 memorandum, which is the company's settlement proposal to pay a \$500 settlement. The company also agreed to waive its right to object to the administrative cancellation of its certificate if it fails to comply with its settlement proposal. I checked CMS and it does not appear to have been received in the Division of the Commission Clerk & Administrative Services. Please document this correspondence to Docket No. 010735-TI. Let me know if you have any questions.

MEMORANDUM

To: Paula J. Isler
From: Richard F. Militello
RE: Settlement Proposal-Docket No 010735-TI

As you are aware, the Company has now made payment of the Fees in question.

It appears that the Company's relocating its offices in the past year may have led to not receiving the required forms to make payment on a timely basis. Now that the PSC has the correct address, this should alleviate the problem in the future. In addition, could you please let us know the due date for the 2001 return so we may note it on our records?

The Company agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer.

In light of these facts, the Company is proposing to pay a fine of \$500.00 as a monetary settlement

Thank you,
