Re: Voluntary Cancellation of Certificate. / Docket No. 010620-TC

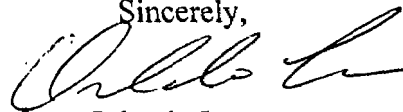

Dear Ms. Isler,

First I would like to apologize for my delay reply to your letter dated May 14, 2001 that dealt with the above mentioned docket. During that time my home was being remodeled and your letter was somehow misplaced and it did not come to my attention until last week. I contacted your office the same day I found the letter but I was told you were on vacation so I was passed on to Barbara Bailey who was kind enough to direct to write to you explaining the situation and supplied me with the proper forms and amount owed for the fees.

A while back I purchased a couple of pay phones with the intentions of doing business with them. However, my plans changed and I never put them into use. Approximately a year ago I received similar letter to the one you sent me in May. I explained to the person that helped me that I had never used the phones and was not planning to and that is why I never filed the forms. She asked me to simply put that in writing and fax it in, which I did. I thought that would close my account with your office but I must of misunderstood. That is why at this time I would like to voluntarily cancel my certificate and be taken off your mailing list.

Enclosed are completed RAF forms for the year 2000 and 2001 along with a check for the total owed. I hope that this satisfies your requirements. If need any further information from me, please feel free to contact me at your earliest convenience.

Sincerely,

Orlando Lamas
