Re: Docket 010805-TP, Request by BellSouth Telecommunications, Inc. for approval of AgreementType interconnection agreement with Teligent Services, Inc.

Dear Mrs. Bayó:

On June 4, 2001, BellSouth and Teligent Services, Inc. filed a request for approval of an interconnection agreement with Teligent Services, Inc. for Florida Public Service Commission approval. The subject of the cover letter of the filing was styled as referenced above. The cover letter did not correctly present the type of interconnection agreement being filed, and it should be changed.

Please use this letter to correctly style the submittal and Docket title as **"Request by BellSouth Telecommunications, Inc. for approval of interconnection, unbundling, resale, and collocation agreement with Teligent Services, Inc."**

I would appreciate your assistance in correcting the filing and record in question.

Yours very truly,

  
Regulatory Vice President (LMA)
