Since you all have agreed on the correction, please notify Melinda in the Chairman's office that you will need to make a verbal correction at agenda conference. It would be helpful to indicate the item number.

The Recommendation paragraph of issue 21 should be corrected as follows:  
Delete the first word of the first sentence, "While," and capitalize "The." Also, change the first word of the second sentence from "Nevertheless" to "However"  
A verbal correction will need to be made at agenda.  
thank you,  
Lorena

Samantha, please look at wording in rec portion of Issue 21 on this rec. I believe the wording may need to be amended slightly. Can you advise how the sentence should read? If so, we will show it correctly on the agenda page and vote sheet and a verbal correction can be made at agenda. (Dr. Bane would need to be advised.)
