Re: 7/6/2001 Notice of Application for an Initial Certificate of Authorization for Water and  
Wastewater Certificates by Kings Point Utility, Inc.

To Whom It May Concern:

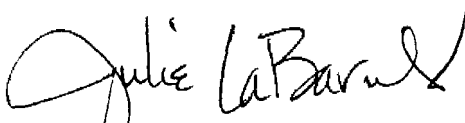

We have been residents of the Kings Point subdivision, Kissimmee, Florida, since  
June 30, 1988. Based upon the poor quality of service previously provided by Kings Point  
Utility, Inc., we object to any authorization being awarded to Kings Point Utility, Inc., to resume  
operation of water and sewer utilities in the Kings Point subdivision.

We were relieved when the Kissimmee Utility Authority assumed responsibility for our  
utility services and provided the needed upgrades to meet required standards. We are happy with  
the utility services provided by Kissimmee Utility Authority and hope they will be allowed to  
continue in that role.

Sincerely,
