Re: Docket 010914-T1

On behalf of World Access Communications Corp., I enclose a check in the amount of \$68.50 representing the past due amount owed to the Public Service Commission, and related interest and penalties.

The Company has instituted a calendaring process for the payment of the required regulatory fee which will prevent future late payments.

The Company agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer.

The Company offers to settle this matter for the sum of \$100.00 in addition to the amounts paid hereby.

Thank you for your consideration in this matter. Should you have any questions, please contact me at 305.577.9700 fax: 305.577.9774.

Very truly yours,

James R. C. Dickey Vice President and General Counsel
