Re: Docket No. 001754-TX, Order No. PSC-01-0400-CO-TX, Issued February 16, 2001

Dear Ms. Bayo:

Certificate No. 5265, which was owned by Pre-Cell Solutions / Family Phone, Inc. was cancelled under the pretense that the merger and change of control would be completed with Teleconex, Inc. Unfortunately like a lot of mergers these days the terms and funding became scarce and the deal ultimately was abandoned. Since the merger did not take place and Pre-Cell Solutions / Family Phone a still viable company it would be unfair not to return both parties to their original status. Pre-Cell Solutions kindly requests that its ALEC certificate be reinstated and allowed to continue as it did prior to the failed merger. Pre-Cell Solutions / Family Phone Service, Inc. has served its customers well over the years and would like to continue to serve this community as a viable alternative to the standard ILEC.

If there are any questions or I can provide any additional information please do not hesitate to call.

Sincerely,

*Gail Biddix*
