41 Pacella Park Drive
Randolph, MA 02368-1755

Dear Mr. McGurrin:

This is a follow up to our telephone conversation concerning Docket No. 010716-TI, which was established for nonpayment of the 2000 Regulatory Assessment Fee (RAF). As background information, the RAF is due each year by January 30 for the previous year, unless the 30th falls on a weekend, then the due date is the next working day. For example, the 1999 fee was due January 31, 2000 and the 2000 fee was due by January 30, 2001.

Commission records show that as of this date, the 2000 RAF has not been paid. The 2000 RAF return is attached. Please complete and return it along with payment for the past due amount in full, including penalty and interest charges. The RAF is .0015% of the company's total Florida gross revenues, or \$50.00, whichever is greater. The interest charge continues to accrue until paid.

This is the second docket in two years that the Commission has established for the same rule violation. The prior docket was No. 001209-TI, which was established for nonpayment of the 1999 RAF. In that docket, the company proposed to pay a settlement of \$100 and pay future RAFs on a timely basis. The Commission accepted the company's proposal, the \$100 settlement was paid, and the docket was closed.

Since you indicated in our conversation that the company wishes to keep its certificate active and since the Commissioners have not yet voted on this docket, the company should propose a settlement. It should be noted that just paying the past due amount will not prevent the company's certificate from being cancelled. All settlements should include the following elements:

- Docket number;
- A check for the past due amount in full;

- A statement that the company has taken steps to prevent future late payments of the regulatory assessment fees, what those steps are, and why the steps the company advised were taken in the prior docket did not work;
- A waiver of objection to the administrative cancellation of the company's certificate in the event its offer is accepted and it fails to comply with the terms which it has offered. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration; and
- Make a specific monetary settlement. There is normally a \$1,000 fine imposed when two dockets have been opened for the same rule violation. However, in other similar cases, the Commission has accepted settlement amounts less than the fine amount.

Any settlement offer/correspondence should be addressed to Ms. Blanca Bayó, Director, Division of the Commission Clerk & Administrative Services, Florida Public Service Commission, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850. The proposed settlement amount should **not** be paid at this time, instead only the past due regulatory assessment fee, plus penalty and interest charges should be paid. The settlement amount, if approved by the Commission, must be paid within 10 business days after the Commission Order is issued.

Please let me know what your decision is by August 29, 2001. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.

Sincerely,

Paula J. Isler, Research Assistant
Bureau of Service Quality

FLORIDA PUBLIC SERVICE COMMISSION
Instructions For Filing Regulatory Assessment Fee Return
(Interexchange Company)

WHEN TO FILE: For companies which owed a total of \$10,000 or more of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

*On or before July 30 for the six-month period January 1 through June 30, AND
On or before January 30 for the six-month period July 1 through December 31.*

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before January 30 for the twelve-month period January 1 through December 31.

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee may be filed or postmarked on the next business day, without penalty.

FEES: Each company shall pay 0.0015 of its gross operating revenues derived from intrastate business, as referenced in Rule 25-4.0161(1), F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts other than the amount in Line 7.

On Line 7, deduct any amounts paid to another telecommunications company for the use of any telecommunications network to provide service to its customers. ***Do not deduct*** any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals. **DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.**

FAILURE TO FILE BY DUE DATE: Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 10). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 11). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

When a company fails to timely file a Regulatory Assessment Fee Return, the Commission has the authority to order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.

EXTENSION: A request for an extension of time up to 30 days may be made by filing the enclosed *Request for Extension to File Regulatory Assessment Fee Return* form (PSC/ADM-124), two weeks prior to the filing date. When an extension is granted, a charge shall be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, or
1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

FEE ADJUSTMENTS: You will be notified as to the amount and reason for any fee adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments. The request should be directed to Fiscal Services at the below-referenced address.

MAILING INSTRUCTIONS: Please complete this form, make a copy for your files, and return the original and in the enclosed preaddressed envelope. Use of this envelope should assure a more accurate and expeditious recording of your payment. **Make your check payable to the Florida Public Service Commission.** If you are unable to use the envelope, please address your remittance as follows:

Florida Public Service Commission 2540 Shumard Oak Boulevard Tallahassee, FL 32399-0850 ATTENTION: Fiscal Services

ADDITIONAL ASSISTANCE: If you need additional assistance in preparing your Regulatory Assessment Fee Return or regarding telecommunications facilities, please contact the Division of Competitive Services at (850) 413-6600. This division may be contacted at the above-referenced address, directing correspondence to the attention of the division.
