**Re: FPL/Real Time Pricing Program
Research Project Quarterly Report**

Dear Ms. Bayó:

Enclosed for filing on behalf of Florida Power & Light Company (FPL) are the original and fifteen (15) copies of FPL's Experimental Real Time Pricing Program Twenty Sixth Quarterly Report. It covers the second quarter of 2001. This report is being filed pursuant to Order No. PSC-94-1232-FOF-EG in Docket No. 940423-EG.

If you or your Staff have any questions regarding this filing, please contact me.

Very truly yours,

Charles A. Guyton

FPSC-COMMISSION CLERK

**Experimental Real-Time Pricing Program
Twenty Sixth Quarterly Report
Report Period: Second Quarter 2001**

Program Status:

The Real-Time Pricing Program (RTP) and corresponding rate were approved by the Commission in Order No. PSC-94-1232-FOF-EG dated October 11, 1994. The effective date of the tariff is February 1, 1995. In Order No. PSC-96-0027-FOF-EI, the Commission granted FPL's request to lower the required minimum monthly demand to qualify for the RTP rate from 1,500 kW to 1,000 kW, effective December 19, 1995. In Order No. PSC-99-0058-FOF-EG dated January 6, 1999, the Commission granted FPL's request to extend the program through December 31, 2000. In Order No. PSC-01-0083-PAA-EI, the Commission granted FPL's request to extend the program through March 31, 2001. On January 9, 2001, in Order No. PSC-01-0067-TRF-EI, the Commission granted FPL's request to further lower the required minimum monthly demand from 1,000 kW to 500 kW, effective April 1, 2001 and extend the program through December 31, 2002. As of June 30, 2001 there were twenty-seven (27) customers taking service under the rate.

Program activities in the second quarter 2001 consisted primarily of maintenance costs for implementing the changes that took effect April 1, 2001.

Expenditures:

The costs expended in the 2nd Quarter, Year-To-Date, and Total Project-To-Date are as follows:

O+M	2 nd Q 2001	Year To Date	Project To Date
Development	\$0	\$212	\$793,909
Marketing	\$36	\$353	\$790,184
Operations and Monitoring	\$2,896	\$5,953	\$174,818
Analysis	\$0	\$0	\$145,289
Total O+M	\$2,932	\$6,508	\$1,904,200

Program Bank Balances are as follows:

	2 nd Q 2001	Year To Date	Project To Date
Marginal Recovery	(\$34,858)	\$14,734	\$1,709,040
Marginal Reliability	\$10	\$4,301	\$48,354

If the RTP Expenses for the twelve months ended June 30, 2001 were included in the calculation, FPL's June 30, 2001 Jurisdictional Return on Equity of 11.69% would not change.
