DEAR SIR:

The old saying, you CAN'T stop progress will probably hold true but there's something to be said about peace & quiet. The neighborhood your speaking of is a rural area where there is a sanctuary from the land developer & home builders. My understanding is that a large section of land close by is being considered for development by the U.S. Home Corp. I feel the purpose of this proposed extension of wastewater service is submitted primarily to benefit this land developer & NOT the existing home owners. Please consider my objections to this proposed extension
