Regulatory Assessment Fee

To ensure timely future payments of the Regulatory Assessment Fee, Essex has updated its contact information with the Public Service Commission, per this letter and its letter of June 29, 2001 sent by our consultant, to guarantee that the proper person receives filing notifications in the future. In addition, the accounting department is implementing a system whereby payment dates will be entered into a notification calendar to reflect upcoming payments.

Essex wishes to maintain its certification as an Interexchange Telecommunications company and would like to offer a settlement in the amount of one hundred (\$100.00) dollars. Essex agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer provided that Essex is given timely notice of the Public Service Commission's acceptance of Essex's offer. A copy of the Order should be mailed to 509 Westport Avenue, Norwalk, CT 06851 to my attention. In addition, to ensure payment of settlement within 10 business days after the Commission Order is issued, Essex is requesting that that a copy of the Order be provided to Essex via facsimile (413) 521-4592 on the day the Order is issued. The waiver of objection is conditioned upon receipt of the Order via United States postal service and facsimile as described.

Thank you for your time and consideration and I look forward to working with you towards the resolution of this matter.

Sincerely,

Maria A. Abbagnaro
