RE: Docket No. 010451-TC - Cancellation by Florida Public Service Commission of Pay Telephone Certificate No. 3951 issued to Ronnie Preston Williams d/b/a Visions Vending for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees.

Order No. PSC-10-1439-PA-A-TC was issued on July 3, 2001. The company had until July 24, 2001 to protest. On July 30, 2001, Consummating Order No. PSC-01-1571-CO-TC was issued, which canceled the company's certificate effective that date.

On August 10, a company representative called staff and advised staff that the company had submitted its settlement offer via facsimile to resolve this docket on July 20, 2001. However, staff did not receive this faxed settlement proposal. On August 13, 2001, the company faxed settlement proposal to staff again with the confirmation fax receipt indicating that the settlement proposal had been faxed to staff on July 20, 2001.

Had staff known about the settlement proposal, staff could have contacted the company at that time to discuss the settlement before canceling the certificate. Please reopen this docket. Pay Telephone Certificate No. 3951 should be reactivated. Staff will revise the CASR and an order will be issued vacating the Consummating Order. Let me know if you have any questions.
