Concise explanation, justification or comments (attach additional sheet if necessary):

Staff is requesting an extension of time until Monday, August 27, 2001, to file this recommendation. This recommendation addresses certain objections raised at the July 11-12, 2001, hearing in this docket, which the Commission requested the parties to address in their post-hearing briefs filed on August 13, 2001. Legal staff requires the additional time in which to thoroughly research the issues for the recommendation. This recommendation must be ruled upon in advance of the recommendation on the merits of the utility's application because, among other things, the recommendation will address a motion to strike certain portions of a witness's testimony. A ruling is necessary on that motion in advance of the filing of the recommendation on the merits so that staff will know which portions of the record to rely upon in formulating our recommendation on the merits. The recommendation on the merits is scheduled on September 20, 2001 for the October 2, 2001, agenda conference. Although there is one other agenda conference before the October 2, agenda, on

FPSC-COMMISSION CLERK

September 18, 2001, recommendations for the October 2 agenda conference are due to be filed only two days later, on September 20, 2001, which would not give staff enough time to prepare the recommendation on the merits. Therefore, staff needs to file a recommendation for the September 4, 2001, agenda conference to address the legal issues raised at the hearing.
