Petition of The Citizens of the State of Florida to initiate rulemaking which will require telephone companies to give customers reasonable notice before customers incur higher charges or change in services, and allow them to evaluate offers for service from competing alternative providers.

Docket No. 010774-TP

Filed: August 30, 2001

THE FLORIDA COMPETITIVE CARRIERS ASSOCIATION'S COMMENTS

On July 2, 2001, the Commission issued a Notice of Proposed Rule Development which included a list of questions. Some of the questions are carrier-specific and the Florida Competitive Carriers Association (FCCA) provides no response as to those. As to the policy questions raised in the Notice, FCCA adopts the responses filed by WorldCom, Inc.
