Good Morning:

In my water bill today was a notice of application for transfer of which I wish to voice my objection.

The notice states that there is/was a majority of organizational control of Utilities, Inc. to Nuon Acquisition, Sub, Inc.

First of all, we in the community are not advised as to the qualification of Nuon or subsidiaries to handel the life giving properties of water. 2nd, we are not advised as to why Utilities, Inc. is giving up controlof our water. 3rdly areNuon going to run a status quo, keep things as they are, or add fluoride to our water, raise prices or change consistency of chlorine added to our water.

Finally, Nuon is gaing control for a reason. What is it?

Thanking you for your consideration,

Very Truly,

*Wm. P. Webb II*
