Dear Mr. Kligmann:

Thank you for your letter dated May 18, 2001. I apologize for the delay in responding to your concerns.

In your letter, you indicate that you believe you have not received credits due to you pursuant to Order No. PSC-01-0091-PAA-TL. However, as you have acknowledged in your letter, the stipulation approved in that Order specifically indicated that credits were only due to BellSouth's customers of record as of October 31, 2000. To the extent that you were a customer of record on that date, it is our understanding that you have been issued the appropriate credits in accordance with the Commission's Order, and that no further credits are due.

I hope this letter answers your questions regarding this matter. Please be aware that the opinions stated in this letter are the opinions of this office, and are in no way binding upon the Commission.

Sincerely,

A handwritten signature in cursive script that reads "Beth Keating".
