Re: Docket No. 000545-WS, Application for original certificates to operate a water and wastewater utility in Pasco County by Labrador Services, Inc.

Dear Ms. Viau:

The following tariff sheets have been approved effective September 28, 2001:

WATER TARIFF

Original Sheets Nos. 1.0 - 24.0

WASTEWATER TARIFF

Original Sheets Nos. 1.0 - 22.0

Please ensure that the new tariff is maintained on file at the Utility Office. A new certificate reflecting the transfer has previously been mailed under separate cover.

Also, as a reminder, Order No. PSC-01-1483-PAA-WS, issued July 16, 2001, in the above referenced docket, required the utility to perform regular billing or file for a waiver of Rule 25-30.335(1), Florida Administrative Code, within 60 days from the effective date of the order. If the utility intends to provide regular billing, then a sample bill must be submitted for inclusion in the utility's tariffs. If you have any questions, please contact Ms. Patricia Brady at (850) 413-6686.

Sincerely,

Daniel M. Hoppe  
Director
