Re: Docket No. 010982-EU

Dear Chairman Jacobs:

Pursuant to this letter, Florida Power and Light Company ("FPL") respectfully requests a deferral of Item 3 scheduled for the September 18, 2001 Agenda Conference, involving a staff recommendation issued in the above-referenced docket. The staff recommendation addresses a proposed rule on the subject of interconnection of small photo voltaic systems. To my knowledge, there are no critical dates associated with the proposed rule.

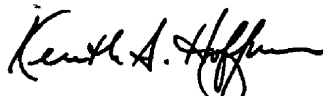

This deferral request arises from the fact that FPL's subject matter experts, Bob Valdez and Gus Dominguez, will not be able to appear at the September 18, 2001 Agenda Conference. Due to the storm conditions which have come through FPL's service area this morning and in light of the tragic events that have arisen this week affecting air travel, Messrs. Valdez and Dominguez will not be able to travel to Tallahassee to appear at the September 18 Agenda and are expected to be diverted to activities arising from the storm which swept through the Sarasota/Ft. Myers area (part of FPL's service area) this morning.

For these reasons, FPL respectfully requests that Item 3 for the September 18, 2001 Agenda Conference be deferred one agenda and that the matter be heard at the October 2, 2001 Agenda Conference.

Kenneth A. Hoffman
