**Re: Docket No. 011006-SU; Application of North Ft. Myers Utility, Inc. for amendment of certificate no. 247-S in Lee County, Florida**

Dear Mr. Friedman:

After reviewing the application filed in this docket, the following deficiency is noted:

1. As required by Rule 25-30.036(3)(i), one copy of the official county tax assessment or other map showing township, range, and section, with a scale of 1" = 200' or 1" = 400', with the proposed territory plotted thereon by use of metes and bounds or quarter sections, and with a defined reference point of beginning.

The map provided in the application as Exhibit C has a scale that is too small. The application states that a full size map will be provided to the appropriate staff. Please provide one copy of the map to the Division of the Commission Clerk and Administrative Services, with instructions to forward the map to Tom Walden in this division.
