ORDER NO. PSC-01-1875-PCO-TL
ISSUED: September 19, 2001

ORDER GRANTING INTERVENTION

BY THE COMMISSION:

By Petition, Sprint-Florida, Incorporated, Sprint Communications Company Limited Partnership, and Sprint PCS (Sprint) has requested permission to intervene in this proceeding. Sprint Communications Company Limited Partnership is an Alternative Local Exchange Company (ALEC) authorized by the Florida Public Service Commission ("Commission") to operate as an Alternative Local Exchange Carrier. Sprint-Florida, Incorporated is a Local Exchange Company (LEC) authorized by the Commission to provide local exchange service in the State of Florida. Sprint PCS is a Commercial Mobile Radio Service (CMRS) provider licensed by the Federal Communications Commission to provide service in Florida.

The instant proceeding involves numbering relief for the 407/321 area codes where Sprint provides service and may involve proposals to require certain number resource management practices to be followed by service providers, including Sprint. Each of the Sprint providers named above utilizes or may utilize NXX codes in the 407/321 area codes in the day-to-day course of providing service to its customers. According to Sprint, any determination in this matter by the Commission will affect the substantial interests of Sprint.

Having reviewed the Petition, it appears that Sprint's substantial interests may be affected by this proceeding because of the nature of the telecommunications services it provides within the 407/321 area code. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, Sprint takes the case as it finds it.
