**RE: Docket No. 011150-TX**

Dear Ms. Dougherty:

This is a follow up to our telephone conversation yesterday afternoon. As background, this docket was established for nonpayment of the 2000 Regulatory Assessment Fee (RAF) and not providing the Commission with the company's updated address. During our conversation, you stated that the company applied for and received a certificate, but that it was not providing service. You also stated that the company wishes to request cancellation of its certificate in Florida.

In order to resolve this docket, the company should write the Commission and request cancellation of its certificate. The request should include:

- 1) Docket number;
- 2) Payment of the 2000 RAF, including penalty and interest charges;
- 3) Payment of the 2001 RAF or date certain the 2001 RAF will be paid;
- 4) Statement of why the certificate is proposed to be cancelled; and
- 5) The company's correct mailing and physical addresses.

If the company's payment is postmarked by September 27, 2001, the total amount due is \$116.50, which is \$66.50 for the 2000 RAF (\$50.00 RAF, \$12.50 penalty, and \$4.00 interest) and \$50.00 for the 2001 RAF. Depending upon when the payment is postmarked, interest charges on the 2000 RAF will continue to accrue until paid. The 2000 and 2001 RAF return forms are attached.

Please review this information and let me know by September 27, 2001 how you wish to proceed. In the meantime, if you have any questions, just let me know. I can be reached at (850)
