REQUEST: From the time period November 1, 2000 to the present, please describe:

- 1) how many separate times BellSouth disconnected interconnection trunks in Florida. This includes reducing the size of existing trunk groups by disconnecting members of the trunk group;
- 2) in what specific locations did BellSouth disconnect interconnection trunks in Florida;
- 3) in the above instances, how many days prior to the disconnect did BellSouth notify AT&T that the disconnect would occur; and
- 4) in how many of these instances did BellSouth await a response from AT&T that the disconnect was appropriate?

RESPONSE: The information contained in this response is proprietary and being provided subject to the protective agreement executed by the parties in this docket and the appropriate Notice of Intent filed with the Florida Public Service Commission.
