RE: Docket # 010897-T1

July 25, 2001

Dear Ms. Bayo,

I have enclosed a check for the amount of \$75.44, which covers the past due amount from 1996 and the regulatory assessment fee from 2000. Please note that our controller did not address these issues with the Commission in a timely manner, and has since been replaced. Our new controller has been made aware of these issues, and will make timely remittances in the future.

At this time, North American Communications Control would like to make a settlement offer in the amount of \$500 to keep the certificate active. Also, NACC agrees to waive any objection to the administrative cancellation of our certificate should we fail to pay in accordance with the settlement offer.

If you have any questions, please feel free to contact me at 631-673-1400.

Thank you,

Frank Caccamo
Director of Operations
