Re: Docket No. 010585-TC
Order No. PSC-01-1716-PAA-TC

Ms. Jessica Elliott

Enclosed are two checks, one is for the 2000 Pay Telephone Assessment Fee and the 1999 late fee. The second check is a partial payment on the \$500.00 fine that is required since it is too late waive this fine.

As we discussed in our phone conversation on Friday the 28th, I would like to request an extension of time for Seacoast Christian Academy, Inc. to pay the \$500.00 fine and retain its Pay Telephone Certificate No. 7170. This extension would allow Seacoast to pay this fine without causing a hardship on the school. The payment schedule that I would like to propose is five \$100.00 payments at the beginning each month starting with this payment for October 2001 and continuing through February 2002.

Seacoast Christian Academy is a small private school with about 275 students. The students use this pay telephone to make calls to their parents for various reasons. Over the last two years less than \$600.00 in receipts have been collected from the operation of this pay phone.

I am sure you have heard every excuse imaginable as to why these returns are not completed timely. Negligence on our part is the reason this issue has progressed to this point. We will not let this happen again.

Please contact the undersigned if you have any questions or need any additional information.

Sincerely,

Mike Mariotti
