1. In an e-mail dated August 29, 2001, the Florida Public Service Commission (the "Commission"), requested that BellSouth provide information on PIC histories for both local toll and toll providers from June 16, 1999 to April 6, 2001. BellSouth provided this information in connection with the Commission's request on September 14, 2001, along with a Notice of Intent to Request Specified Confidential Classification.

3. BellSouth has appended to this Request for Confidential Classification as "Attachment A" a list identifying the location of the confidential information in the response.

4. Appended hereto as "Attachment B" is two copies of the requested documents with the confidential information deleted.

5. Appended hereto as "Attachment C" is a sealed envelope containing one copy of the documents including the material which is confidential and proprietary.

6. The information provided contains customer specific and vendor specific information. BellSouth's competitors can use this information to develop their own business strategy. This information is confidential pursuant to Section 364.183(3)(a) and (3)(e), Florida Statutes.

7. BellSouth has treated and intends to continue to treat the material for which confidential classification is sought as private. This information has not been generally disclosed.

WHEREFORE, based on the foregoing, BellSouth moves the Commission to enter an Order declaring the information described above and contained in the response to be confidential, proprietary business information, and, thus, not subject to public disclosure.

Respectfully submitted this 5th day of October, 2001.
