To whom it May concern:

Enclosed please find our ALEC Regulatory Assessment Fee Return for the period of 3/29/00-12/31/00.

As per Docket # 011280-TX we are remitting a check for past due fees plus penalty & interest charges as instructed by the commission.

The following is a statement regarding steps to prevent this from happening in the future. As with any new venture (started in July 2000) there were some items, which we were unaware of such as this filing requirement and the lack of support to carry out this filing. We have now corrected this by utilizing an outside service (Telecom Compliance Services) for the handling of all our public service commission filing. They are a reputable firm that specifically has the knowledge and capability to keep up with all tax compliance and filings, which are required in today's ever changing world.

Waiver of Objective Statement

The Company agrees to waive any objection to the administration cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however there is a factual dispute as to the manner of compliance or level with any provision in the settlement, Commission Staff will bring the matter to the Commission for consideration ; and make a specific monetary settlement.

OPTIONS

CANCELLATION OF THE CERTIFICATE

Voluntary Cancellation - In order to be granted a voluntary cancellation, the company must: 1) write a letter requesting cancellation of the certificate and explain why (such as no longer in the telecommunications business); 2) pay all past due charges in full; and 3) pay the 2001 Regulatory Assessment Fee (RAF) or provide a date certain that it will be paid (such as 30 days from the date of the Commission Order cancelling the certificate).

Involuntary Cancellation - If the company does nothing to resolve this docket, the certificate will be cancelled on the Commission's own motion. All outstanding RAFs, including penalty and interest charges, will be turned over to the Comptroller's Office for collection.

TO KEEP THE CERTIFICATE ACTIVE

- ✓ Pay the past due RAF amount in full, including statutory penalty and interest charges, plus the fine imposed, after the Order is issued and the certificate will remain active. Just paying the past due amount will not prevent your certificate from being cancelled.

Propose a settlement - All settlements must include the following elements:

- 1) ✓ Docket number;
- 2) ✓ A check for the past due amount in full. It should be noted that just paying the past due amount will not prevent your certificate from being cancelled;
- 3) A statement that the company has taken steps to prevent future late payments of the regulatory assessment fees and what those steps are;
- 4) A waiver of objection, which should state: The company agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration; and
- 5) Make a specific monetary settlement. There is normally a \$500 fine for this rule violation. However, the Commission has accepted amounts less than the fine amount in other similar cases.

Any settlement offer/correspondence should be addressed to Ms. Blanca Bayó, Director, Division of the Commission Clerk & Administrative Services, Florida Public Service Commission, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850. The proposed settlement amount should not be paid at this time, instead only the past due regulatory assessment fee, plus penalty and interest charges should be paid. The settlement amount, if approved by the Commission, must be paid within 10 business days after the Commission Order is issued.
