**Re: North Fort Myers Utility, Inc.; Docket No. 011006-SU
Application for Amendment of Certificate No. 247-S to extend service area in
Lee County, Florida by North Fort Myers Utility, Inc.
Our File No. 16319.29**

Dear Jennifer:

I learned on Friday that Norman Hale has requested a formal hearing in connection with the above-referenced docket. Actually, only the 500 feet of his property abutting Bayshore Road is included in the application and the vast majority of his property is not within the territory requested in that application. The purpose of this 500 foot corridor was to provide wastewater service to commercial development along Bayshore Road. Notwithstanding that, NFMU will be filing an amendment to its application so as to remove any of Mr. Hale's property from this application which will render Mr. Hale's objection moot. I will be filing the appropriate revised documents within the next week or so. Thereafter, I would appreciate it if this matter could be expedited since there will be no pending objections.

Very truly yours,

MARTIN S. FRIEDMAN
