**Subject:** Docket No. 011176-TX

As information, the above docket is an application of a transfer. I have Docket No. 011132-TX pending for not paying the RAFs. I talked with a company representative today and was asked if my docket would hold up the transfer. Before I had looked on CMS, I told him it should. After hanging up, I noted in CMS that the recommendation has been filed and is scheduled for the 10/16 Agenda. I talked with Ray about this and he agrees with me -- we believe that your docket should be deferred. Do you agree?
