RE: Docket Number 011273-TX

Dear Ms. Bayó :

Please find our check number 20786 in the amount of \$67.00 as directed by Ms. Isler in her fax of October 2, 2001.

The Company apologizes for this noncompliance by the due date and has taken the appropriate steps to see that process occurs in a timely fashion in the future.

1. We have added this filing to the updated to the calendar of filing requirements for the future.
2. We have knowledgeable personnel to complete such filings in a timely manner.
3. We have established a manager to review all filings routinely and cross-reference to the same calendar to insure all filings are completed on time.

This late filing apparently was created by a set of circumstances generally related to being new CLEC in a new state during the year 2000.

1. Year 2000 is the first year in Florida as a CLEC
2. Our outside consulting sources did not notify us of this filing
3. Upon first review, it was thought that filing the Interexchange Company Regulatory Assessment Fee Return, which has been filed, was the same as the Alternative Local Exchange Company Regulatory Assesment Fee Return
4. Such filings were brought "in-house" in the later part of year 2000 and was not known to still be due and in arrears.

American Fiber Network, Inc. agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer.

In closing, American Fiber Network, Inc. asks that the Florida Public Service Commission accept payment of \$250.00 for this rule violation due to the circumstances given above. We look forward to hearing back from your office at your earliest convenience to resolve this matter.

Sincerely,

A handwritten signature in black ink that reads "Bob Innes". The signature is written in a cursive style with a large initial "B" and a long, sweeping underline.
