Concise explanation, justification or comments (attach additional sheet if necessary):

In our recommendation dated October 4, 2001, staff reduced depreciation expense by \$18,641. By letter dated October 10, 2001, Aloha stated that staff's adjustment to depreciation expense in our recommendation was incorrect. Upon receipt and review of additional interim schedules, staff agrees that our adjustment was in error. The 60-day statutory deadline to address interim rates is November 9, 2001. Since the next agenda is within that 60-day deadline, staff requests that this item be deferred to the November 6, 2001 Agenda Conference.
