Re: Docket No. 011293-TX; Genesis Communications International, Inc.
2000 ALEC Regulatory Assessment Fee; Proposed Settlement

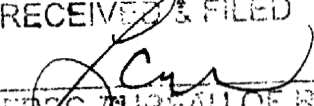

Dear Ms. Bayo:

In response to the Commission's letter to Derek Gietzen of Genesis Communications International, Inc. ("Genesis" or the "Company") dated October 2, 2001 regarding nonpayment of the 2000 Alternative Local Exchange Company ("ALEC") Regulatory Assessment Fee ("RAF"), and following up on subsequent discussions with Ms. Paula Isler of the Commission's Staff, Genesis hereby submits its proposed settlement for the 2000 ALEC Regulatory Assessment Fee matter.

Specifically, Genesis wishes to keep active its Alternative Local Exchange Telecommunications Certificate No. 7413 and therefore encloses (1) its completed ALEC Regulatory Assessment Fee Return for 2000; and (2) a check made payable to the Florida Public Service Commission in the amount of \$67.00 as payment of Genesis' regulatory ALEC Regulatory Assessment Fee for 2000. (This amount includes the \$50.00 minimum RAF plus \$12.50 penalties, and \$4.50 interest).

Genesis was authorized to provide intrastate ALEC telecommunications services in Florida beginning in May, 2000,¹ but has not yet commenced providing local exchange service in Florida. Accordingly, as reflected on the enclosed completed RAF Return for 2000, Genesis had no Florida local exchange revenues to report.

¹ See Commission Order in Docket 000057-TI issued April 14, 2000, and Consummating Order issued May 10, 2000 (Order No. PSC-00-0934-CO-TX).

FPC-COMMISSION CLERK

Genesis apologizes for any oversight that led to its failure to file its 2000 ALEC Regulatory Assessment Fee on time. The Company has taken steps to prevent future late payments of the RAF and has alerted its relevant personnel to note the annual ALEC Regulatory Assessment Fee filing deadline(s) on the Company's due dates calendar.

In light of the fact that Genesis is a recently certificated Florida ALEC and has not yet begun providing service in Florida, and given Genesis' prompt efforts to work with Staff to remedy this matter, Genesis respectfully proposes a monetary settlement in the amount of \$100.00. The Company agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Genesis understands that Commission Staff will bring the matter to the Commission for consideration.

Finally, Genesis would like to thank the Commission and the Commission's Staff, and in particular Ms. Isler, for her assistance in resolving this matter.

An original and (3) copies of this filing are enclosed. Please date-stamp the enclosed extra copy of this filing and return it in the self-addressed, postage-paid envelope provided. Please do not hesitate to contact me (at 202/424-7788) if you have any questions regarding this filing.

Sincerely,

Katherine A. Rolph
