Re: Docket 011275-TX

Dear Ms Isler:

I am not sure why we did not respond earlier, but this letter is to formally advise you that Stormtel, Inc. has never provided local exchange service of any type and no longer has any intention of doing so. Accordingly, we are hereby requesting that the Commission cancel our certificate to provide local exchange telecommunications service.

I assume we still need to file the 2000 Regulatory Assessment Fee report even though we never provided any local service. If you would have someone e-fax me the form at 801-881-5436, I will take care of it immediately.

Sincerely,

James R. Becker
CFO
