REGULATORY ASSESSMENT FEE (TELECOMMUNICATIONS ACCESS SYSTEM ACT SURCHARGE)

Docket No. 011138-TX

We have received a letter from Ms. Paula J. Isler, Research Assistant, Bureau of Service Quality informing us that we have not paid this Regulatory Assessment Fee.

The reason we stopped paying the Florida Telecommunication Relay, Inc. is because we have been paying this fee thru our Bell South accounts, as you can verify by the attached sheet. The Florida Telecommunications Relay, Inc. should refund the double payment they have been received.

RE: VOLUNTARY CANCELLATION OF THE CERTIFICATE.

This is to advise the Public Service Commission that we request cancellation of the Certificate due to the fact that we are out of Business since we will no longer be able to access to the Bell South system since Bell South has requested additional deposit of \$ 8,000.00 that we cannot afford.

Thank you for your attention.

Sincerely,

A-1 MOBILE TECH. INC.

Re: TASA Surcharge Fees (8 months past due)

Dear Mr. Rivadeneira:

The purpose of this letter is to inform you about the company's current status with Florida Telecommunications Relay. Currently your account is past due for periods January-July 2001. I've made several attempts to reach you by telephone and this is my last channel of communication to the company.

As a reminder, as of July 1, 2001, the TASA ^{*} Surcharge is twelve cents per access line. Both the surcharge payment and collection report are due by the 15th of the month following the end of the period. Payments are requested as soon as possible. If you are no longer doing business in Florida or remitting the surcharge fees through a holding company, please inform me and I will make the necessary changes according to documentation received.

Should you have any questions or comments, please call me at (850) 216-1660. Your attention to this matter is greatly appreciated.

Sincerely,

Nadia Triplett
