Good Afternoon Kathleen,

I have some questions pertaining to Docket Numbers 011167-TP and 011168-TP.

Docket No. 011167-TP need the certified name for DLC Enterprises, Inc. The name on the request letter is incorrect. On the 11th of October I e-mailed you in regard to this problem and received no response.

Also, Docket No. 011168 request may be incorrect. It seems as if you are asking for an interim interconnection agreement, but the subject matter of the agreement consisted of unbundling and subloops. I reviewed this problem with my managers and the suggestion was for BellSouth to change the request from an interim interconnection agreement to a standalone agreement for subloops.

These dockets cannot be approved until these problems have been addressed.

If you have any questions or would like to clarify these discrepancies please feel free to come by or contact me at 850-413-6528.

Thank You,
Jurine Lewis
